I, \_\_\_\_\_, have made revocable gift commitments for the System Dynamics Society as listed below.

| Mark (X) if applicable | Type of Gift Commitment  | Approximate Value (USD\$) |
|------------------------|--------------------------|---------------------------|
|                        | Bequest / Will / Trust   |                           |
|                        | Retirement Assets        |                           |
|                        | Life Insurance Policy    |                           |
|                        | Other: (please describe) |                           |

I give permission for the System Dynamics Society to count the value of my gift as a revocable deferred planned gift in the donation totals for the System Dynamics Society.
