Welcome to the 37th International Conference of the System Dynamics Society

Dear Society Members, Fellow System Dynamicists, Supporters & Friends:

On behalf of the Board of Directors, Conference Planning Committee, Staff and Members of the System Dynamics Society, we want to welcome you to Albuquerque for our 37th International Conference. While you are here in Albuquerque, we hope that you will make the most of your conference experience by:

- Networking with fellow academics, consultants, professionals and students involved in System Dynamics.
- Receiving the latest updates on a range of topics, from leaders and expert practitioners.
- Learning about the particular benefits and uses of different modeling approaches.
- Learning about the latest work and research and see its implications for you.
- Enhancing your skill set with workshops and see the work of luminaries.
- Exploring and debating topics, discussing in formal and informal settings.
- Presenting your research, project, or product and get feedback.
- Promoting your work.

And while you are here, celebrate our noble field and the achievements of the past year!

We also ask you to meet our sponsors and exhibitors and learn about their new developments Please support them and our advertisers as their support helps us advance our important mission and the field.

Thank you for your ongoing support of the System Dynamics Society. Because of your presence, the Society is making a difference in System Dynamics across the world. We are now reaching and helping more System Dynamicists than ever before through our outreach, communications and programming.

If you have any questions or need assistance while at the conference, please do not hesitate to ask any member of the Planning Committee or Society Staff.

So, here’s to System Dynamics and a great conference!

Sincerely.

The 37th International Conference Planning Committee
